BRICKTIVITY™

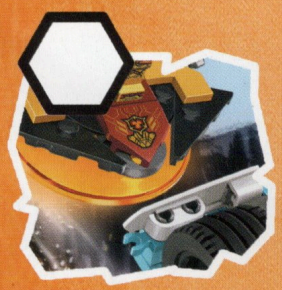
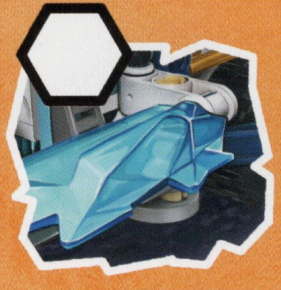
Zane was found by Kai and Nya in a techno-cocoon years after the Merge. He couldn't remember what happened on the day the Merge started.

While the ninja searched for the Dragon Cores, Zane remained in the Monastery of Spinjitzu. He was busy collecting data about mysterious portals and . . . the habits of Mr. Frohicky.

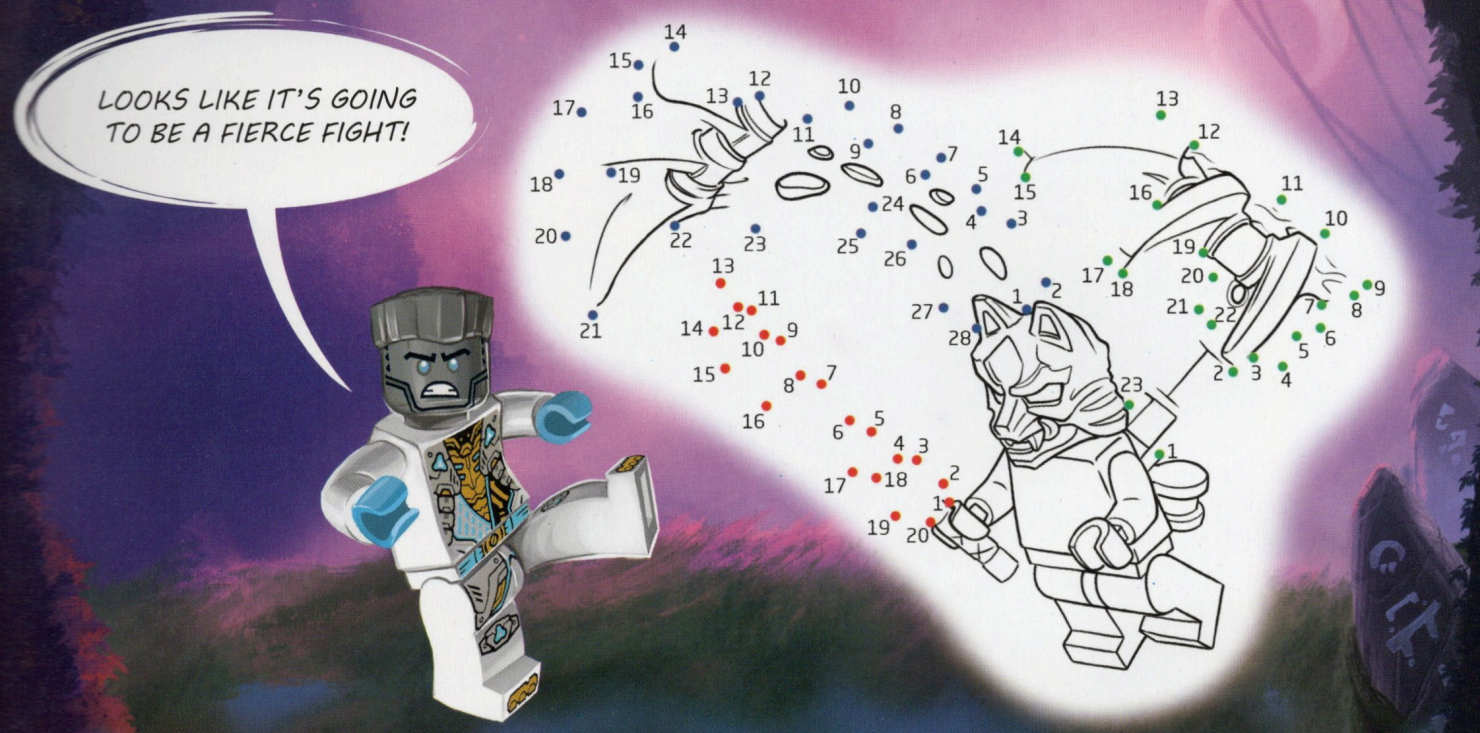
The attack of the dragon hunters was met with an icy response from Zane! Mark two fragments that do not match the scene.





Answers on page 31.

The enemy caught Zane off guard! Quick! Connect the dots and show what weapon the warrior has so that Zane knows how to defend himself.



Collect all the elements that make up Zane's Ice Glider. Find the set that contains the correct parts of the vehicle.

Answers on page 31.

The ninja team's mission is to protect Source Dragons from danger. Look at the picture of the Source Dragon of Motion and mark one element in each set that matches the dragon.

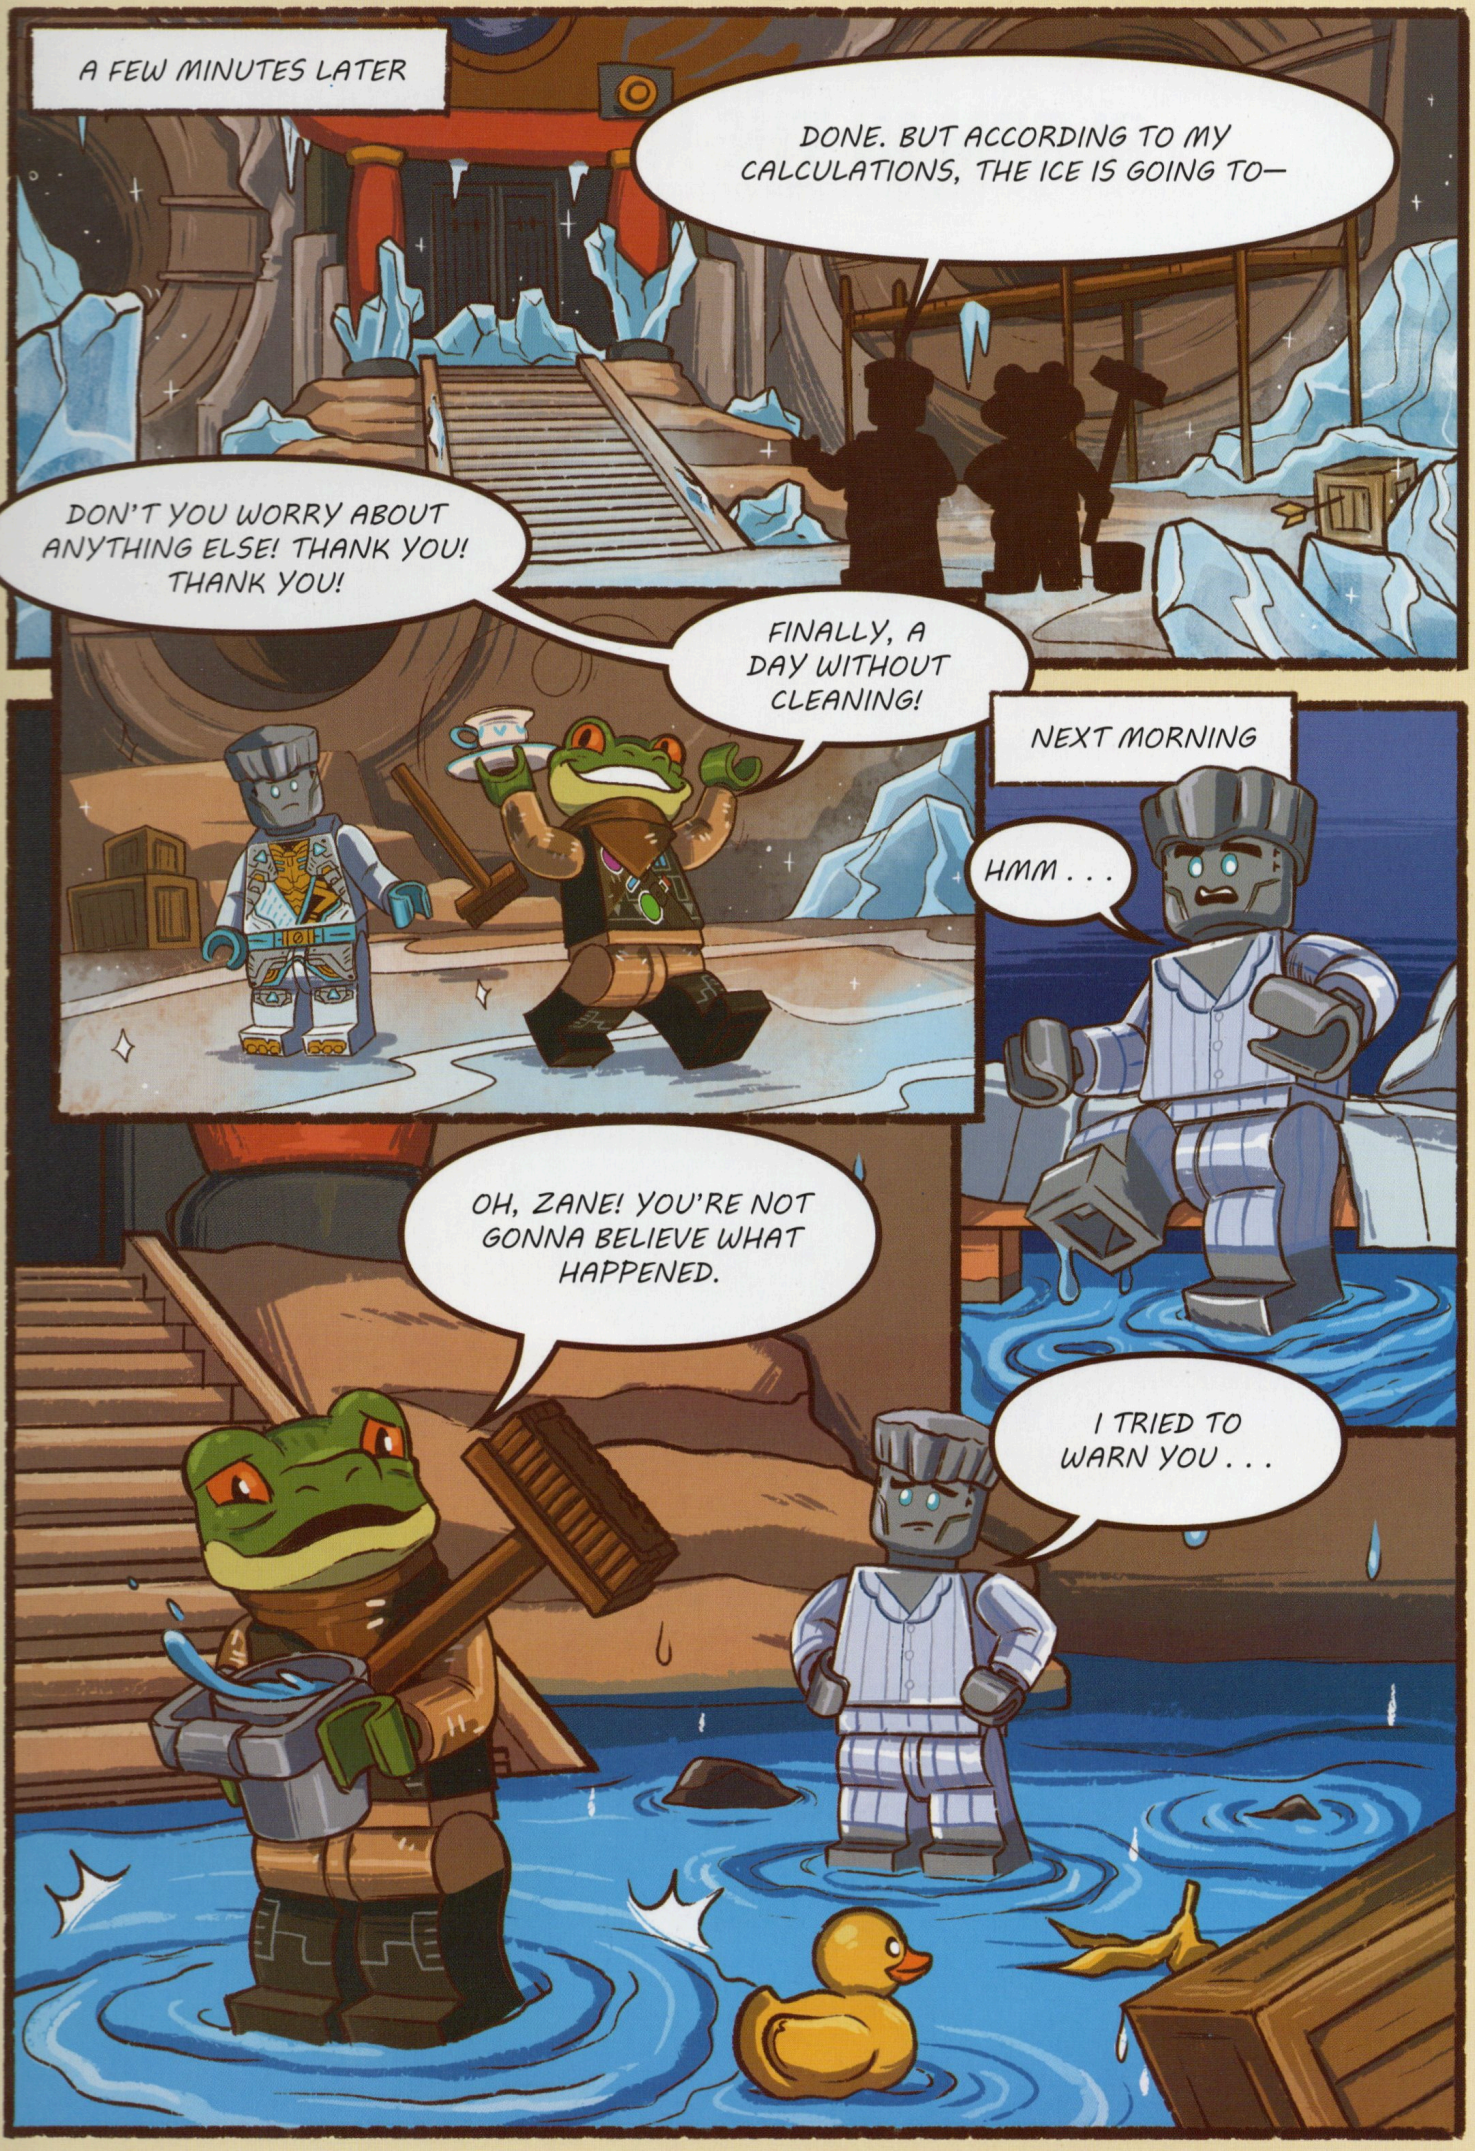
Answers on page 31.

Which of these characters is the true spirit of the temple? To find out, spot the one that is different from the others.

Mark the path that will lead Zane to his Ice Glider.

Answers on page 31.

A BIGGER MESS
LAST NIGHT, THE NINJA CAME BACK THROUGH THE PORTAL. SOME VILLAINS FOLLOWED, AND THERE WAS A FIGHT! I WAS CLEANING ALL NIGHT!
BUT NOW I HAVE A PLAN TO KEEP THINGS CLEAN . . . COVER EVERYTHING WITH ICE!
BUT THE ICE IS GOING TO—
LET'S JUST TRY! OK? PLEASE!
OK, HAVE IT YOUR WAY. BUT IT'S GOING TO BE A BIGGER MESS.



A FEW MINUTES LATER
DONE. BUT ACCORDING TO MY CALCULATIONS, THE ICE IS GOING TO—
DON'T YOU WORRY ABOUT ANYTHING ELSE! THANK YOU! THANK YOU!
FINALLY, A DAY WITHOUT CLEANING!
NEXT MORNING
HMM . . .
OH, ZANE! YOU'RE NOT GONNA BELIEVE WHAT HAPPENED.
I TRIED TO WARN YOU . . .

ALARM IN THE MONASTERY!

Someone wants to break through the portal into the Monastery of Spinjitzu! Use your minifigure and accessories to show what will happen next.

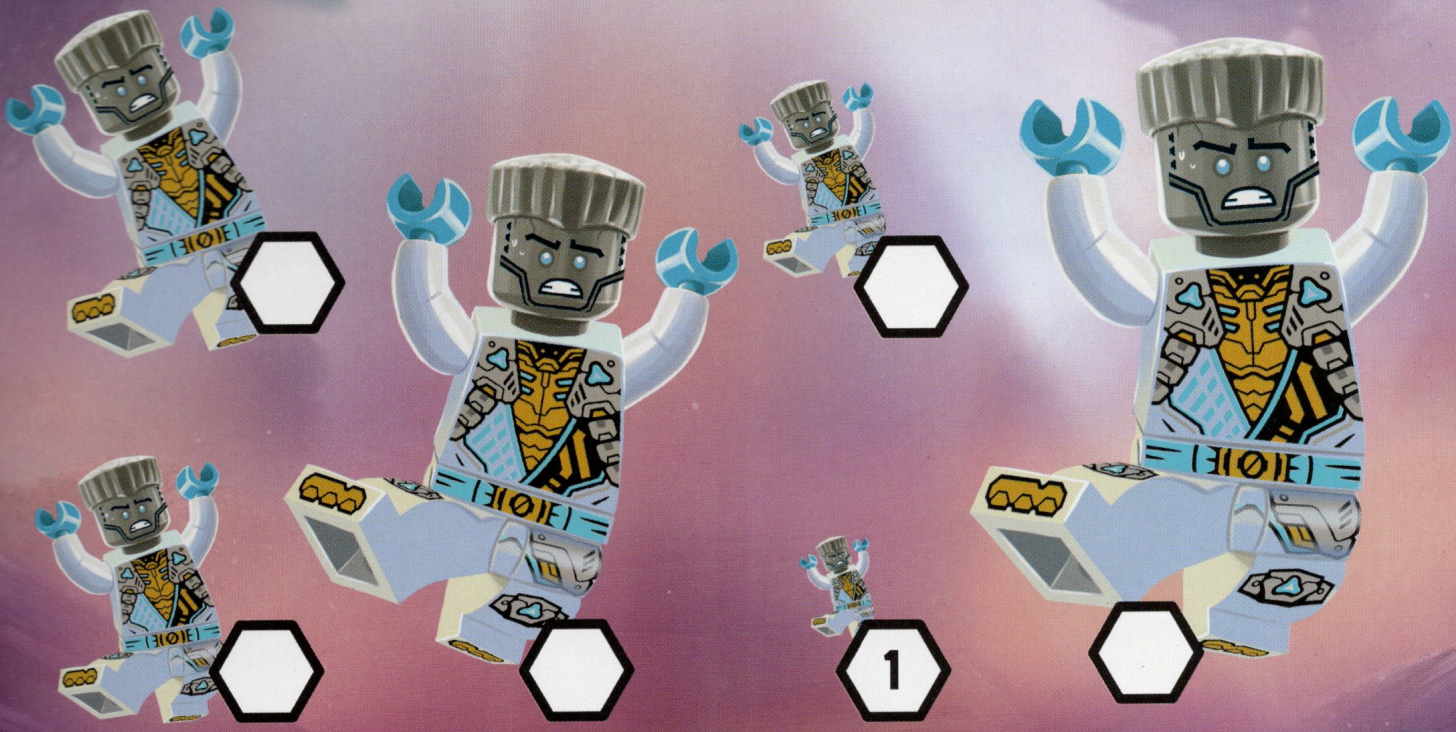
BRICK TIVITY™

A malfunctioning android broke into the monastery. Help Zane protect the monastery!

What might Zane use the Ice Glider for?

Maybe Mr. Frohicky can help save the monastery in a surprising way?

A magic spell made Zane change his size. Number the portraits from the smallest to the largest by writing the correct numbers in the empty boxes.



Color the picture according to the color code below to see the droid that is spying on Zane.

Answers on page 31.

Take your Zane minifigure through the maze to find his Battle Suit Mech. Move in the direction of the arrows, jumping only on rocks with snow on them. Watch out for enemies!

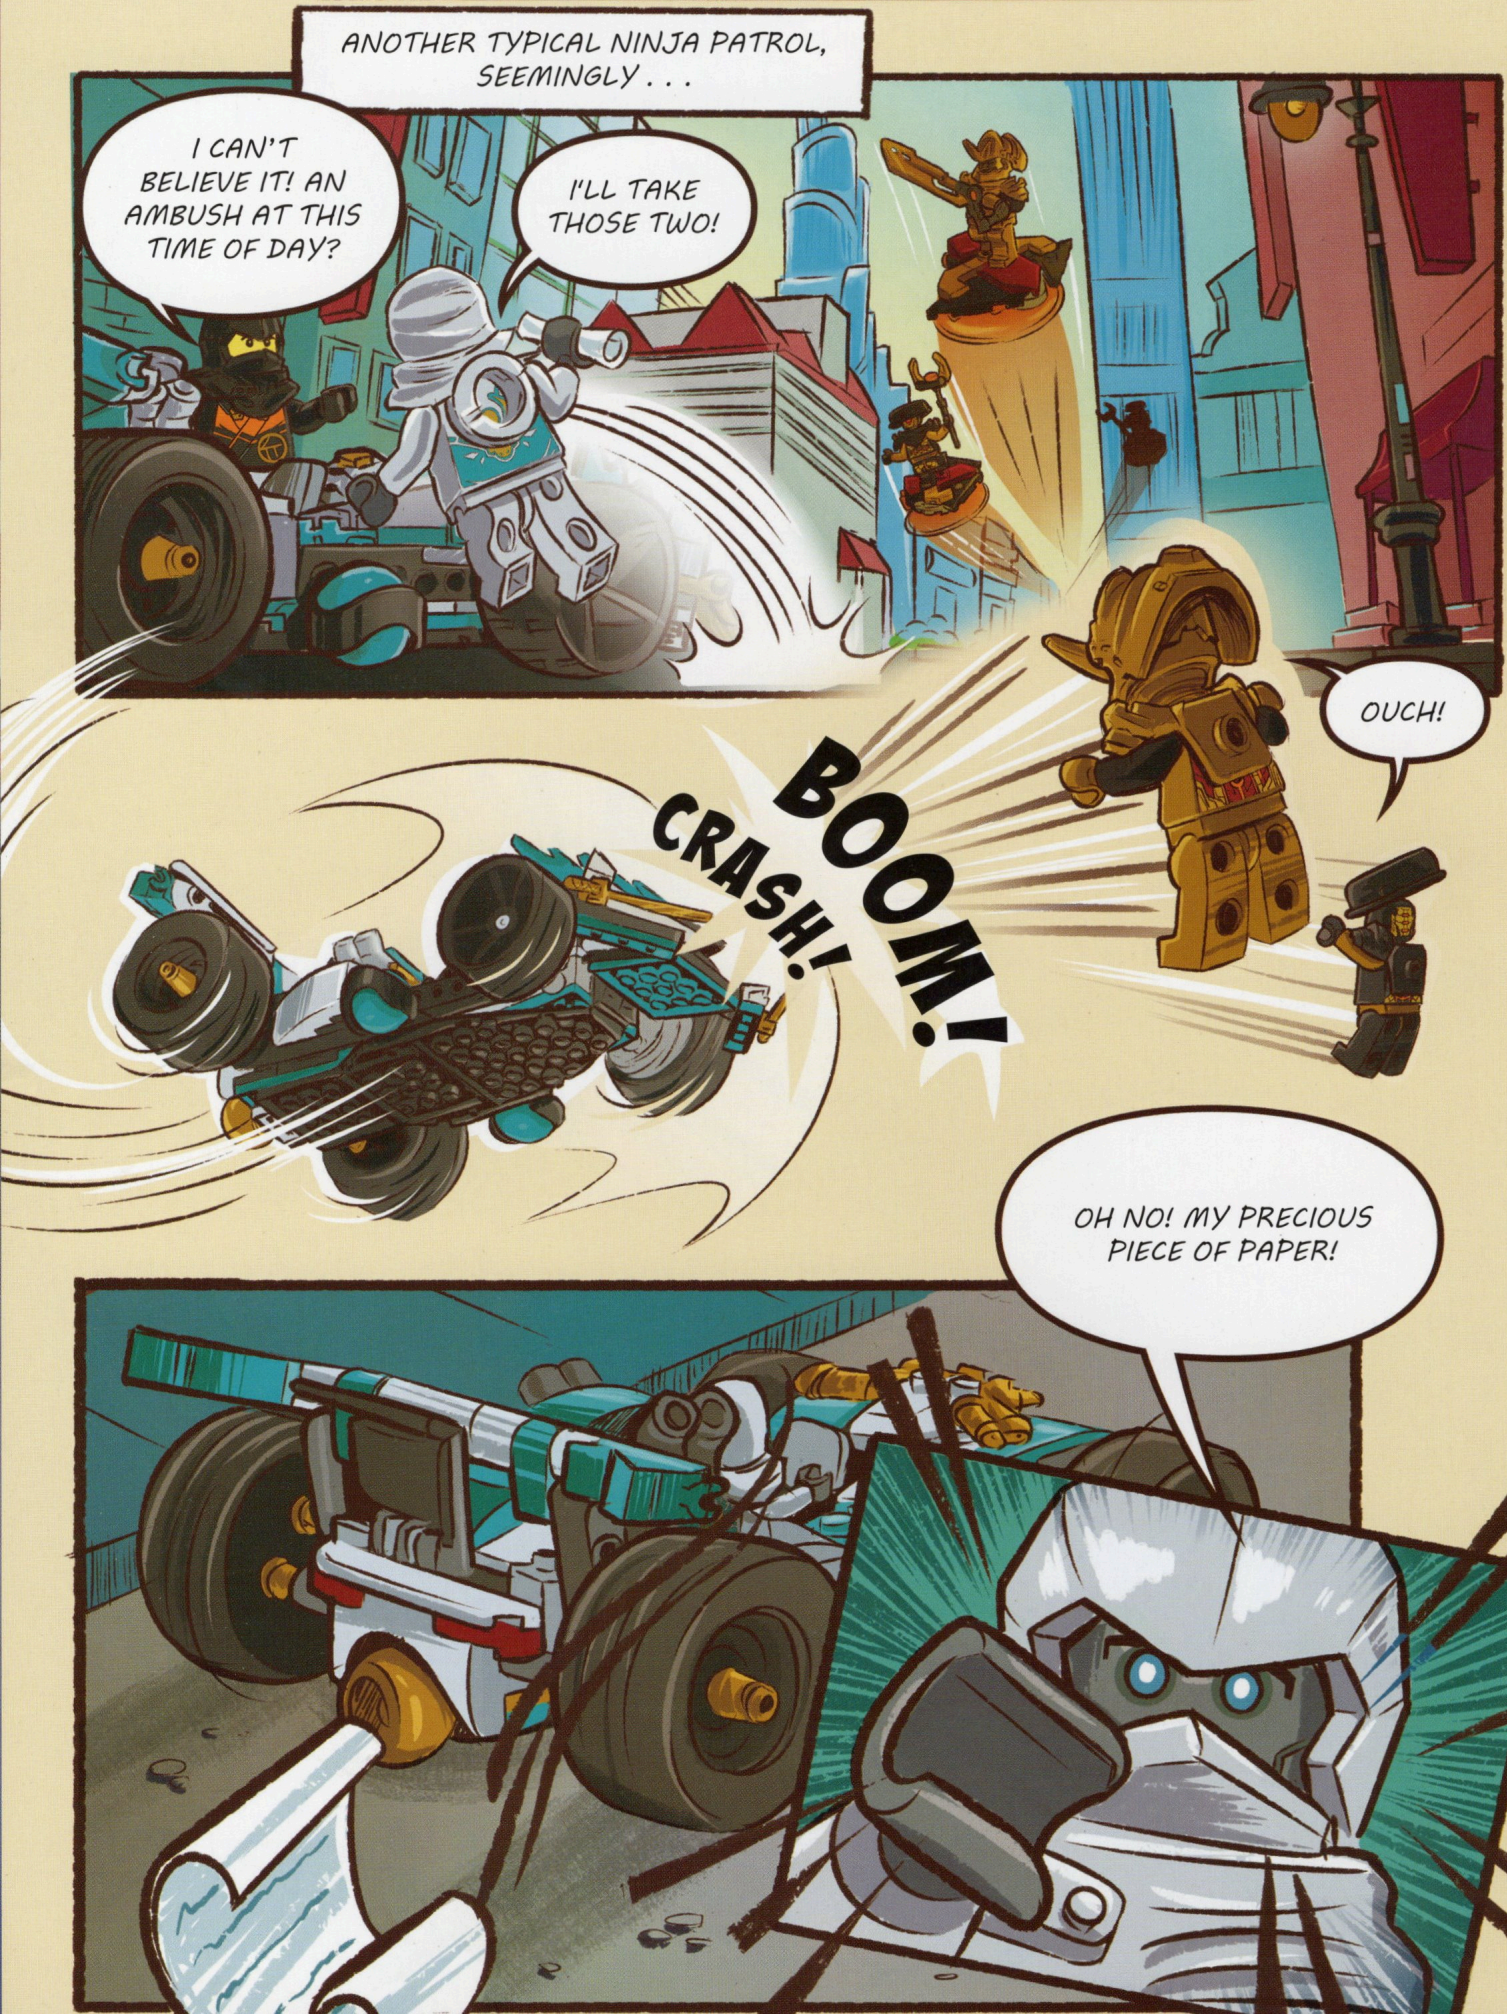
AN IMPORTANT NOTE



ANOTHER TYPICAL NINJA PATROL, SEEMINGLY . . .
I CAN'T BELIEVE IT! AN AMBUSH AT THIS TIME OF DAY?
I'LL TAKE THOSE TWO!
OUCH!
BOOM!
CRASH!
OH NO! MY PRECIOUS PIECE OF PAPER!

DON'T YOU TOUCH THAT!
?!
I'VE WARNED YOU!
PHEW, GOT IT! I FEARED I WAS GOING TO LOSE IT!
REALLY? WHY'S THIS NOTE SO IMPORTANT?
I WROTE . . . A POEM FOR PIXAL. I DIDN'T WANT ANYONE TO READ IT.
BESIDES, IT'S NOT FINISHED . . . SEE? THE RHYMES AREN'T PERFECT YET.
UM . . . I THINK PIXAL'S GONNA LOVE IT.

Answers on page 31.

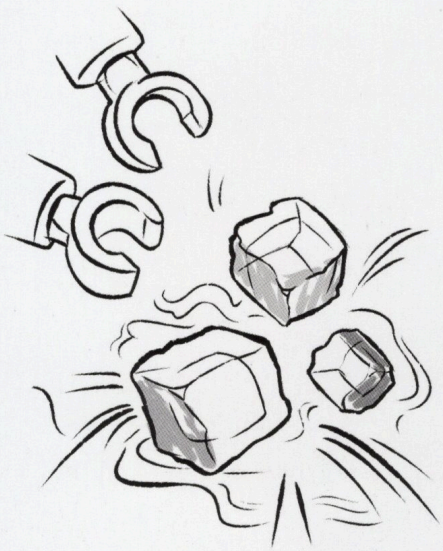
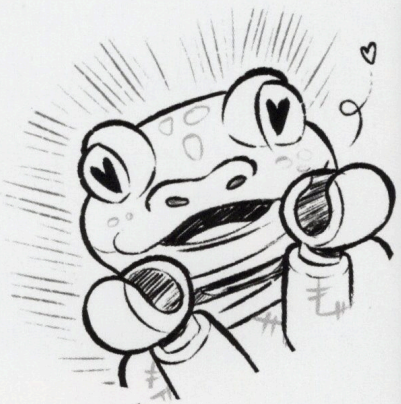
ZANE'S AMAZING POWERS

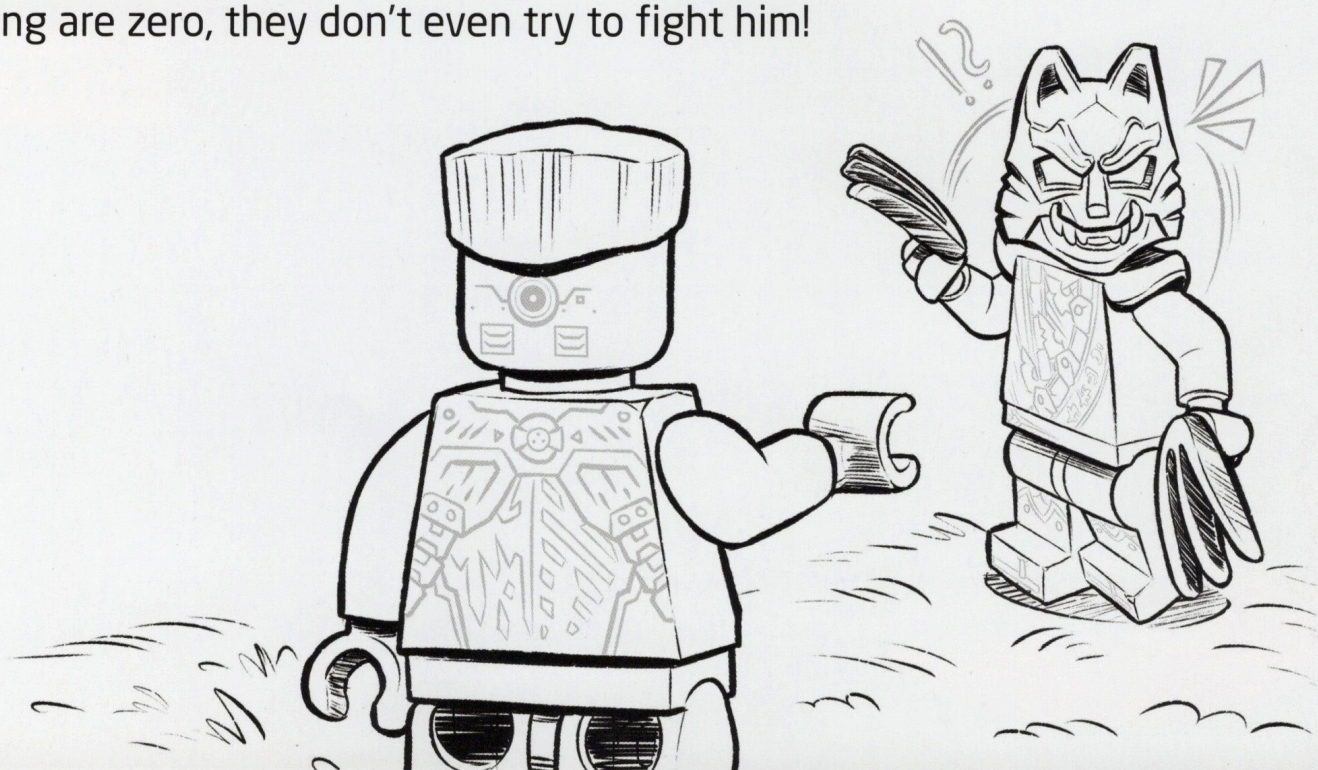
Zane's Nindroid body can perform many unusual functions, such as . . . playing music. Whatever he plays, he always does the robot dance!



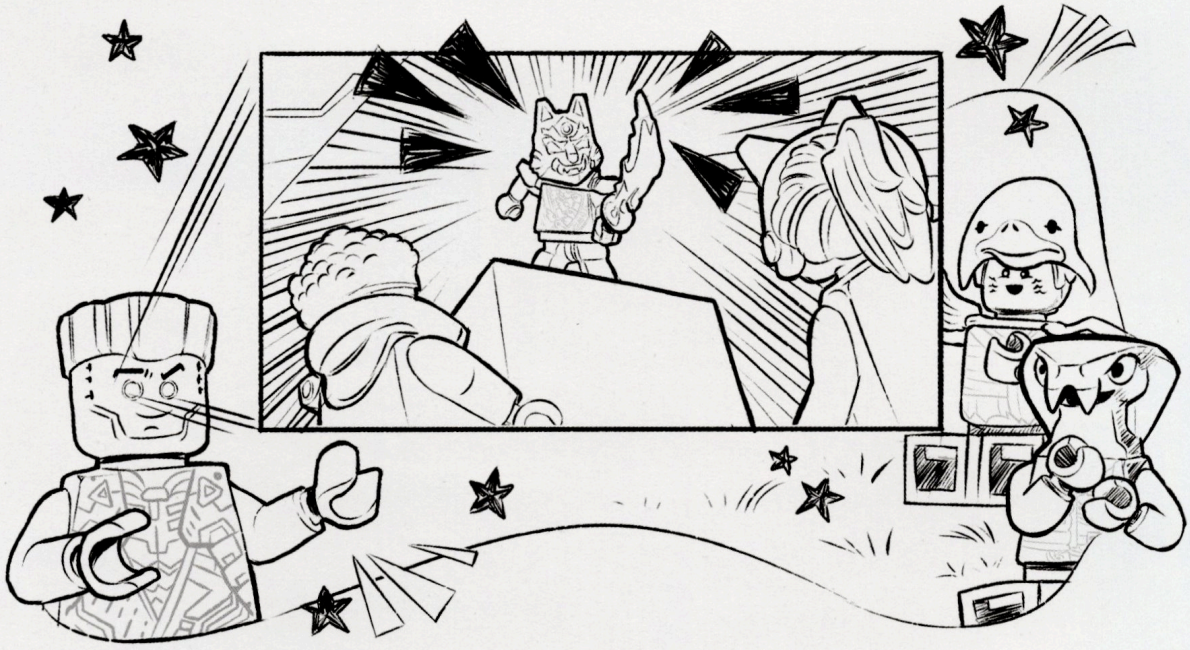
Zane can lower the temperature, freezing objects and enemies. He makes Mr. Frohicky happy every time he makes ice cubes especially for him.



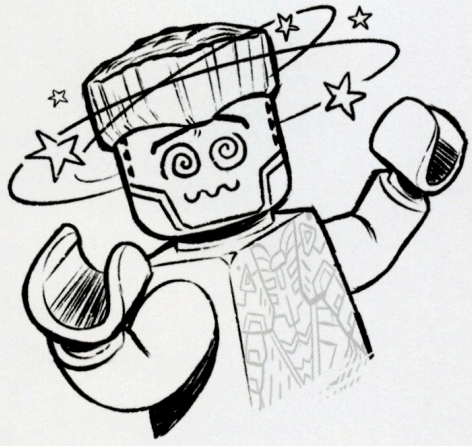
Zane can analyze the potential outcome of each fight in 12,856 ways. When his opponents learn their odds of winning are zero, they don't even try to fight him!

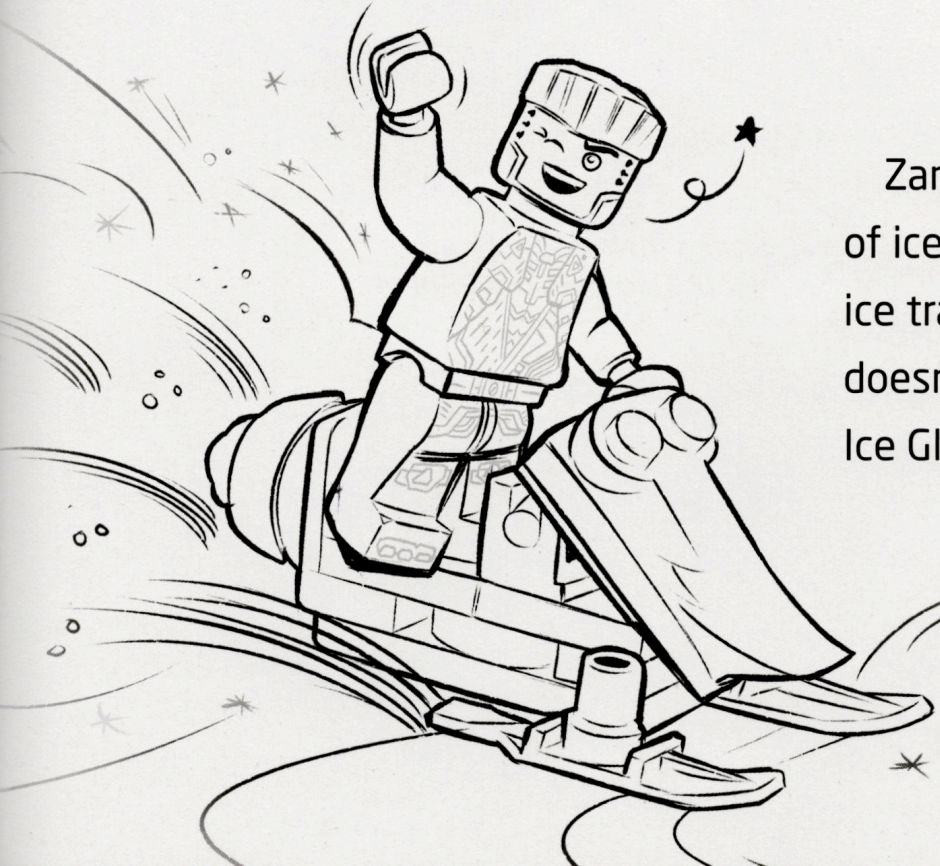


Zane is able to project holographic pictures from his eyes, which makes him the perfect "babysitter" for young friends.



Zane's head is able to fully rotate. This means he can keep his eyes on what is happening around him all the time . . . until he gets dizzy!

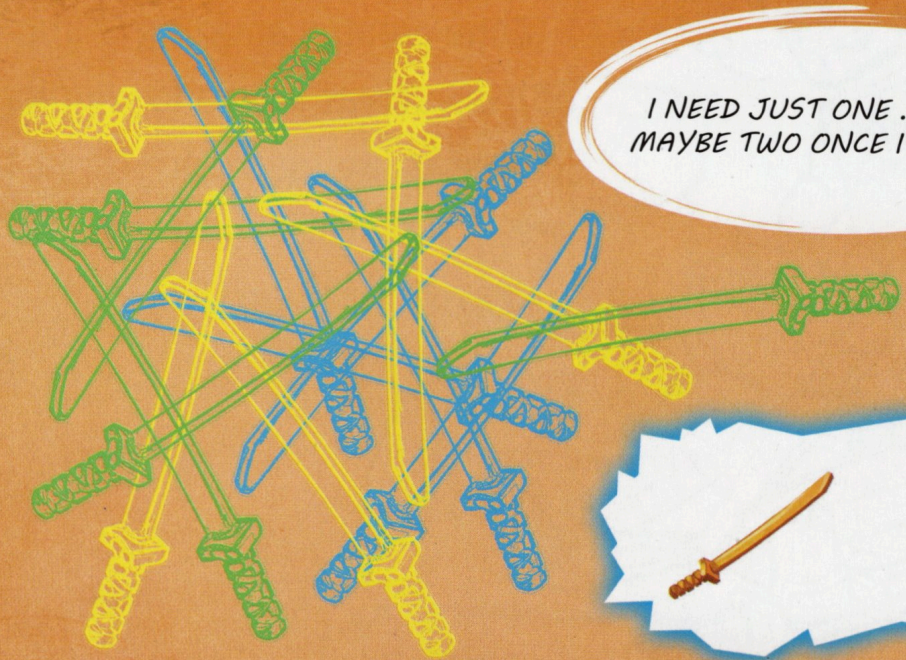




Zane creates amazing things out of ice, such as long and winding ice tracks. Being the Ice Ninja, he doesn't get cold, so he can ride his Ice Glider for hours!

Help Zane reach Arin. Follow the trail of Arin's portraits to lead the Titanium Ninja to his destination.

Count Zane's swords in the picture and write the number in the box below.



Answers on page 32.

Search the scene to help find Zane's 8 shurikens. They may come in handy in a moment!

Answers on page 32.

THROUGH THE SNOW

Zane is going off on a dangerous quest! Use your minifigure, mini build, and accessories to show what might happen to Zane along the way.

BRICK TIVITY™

Maybe Zane fell into a trap? How did he get out?

Help Zane build an ice fortress that will protect him from danger.

Who do you think ambushed Zane?

Zane wants to install a turbo boost program. Help him with the installation by connecting the wires into one line from start to finish.
